Congress of the United States
House of Representatives
Washington, DC 20515

Dear Academy Applicant:

Thank you for answering the call to serve! We are in receipt of your request for a nomination to the United States Service Academies.

Our Nation has a rich history of training our nation's military leaders. From the fields of Gettysburg to the sands of Omaha Beach military academy graduates have led this county through some of its most difficult days. Today, these same values are taught at the service academies.

The Service Academies allow students to serve their nation while receiving a quality, tuition free education at some of the nation's finest education institutions. I take the privilege of nominating individuals to the Service Academies very seriously. I also strive to increase opportunities for our young constituents, so they may be the next generation of brave military leaders!

Please use the information enclosed in this packet to submit an application to my office.
Best of luck in your future endeavors,

Sincerely,

A handwritten signature in blue ink that reads "Darren Soto".

SERVICE ACADEMY NOMINATIONS

HOW NOMINATIONS ARE COMPLETED

Choosing the most qualified candidates to nominate to a United States Service Academy is an honor and no easy task. Nominations are based on a “whole person” evaluation. This includes factors such as academic achievements, standardized test scores, extra-curricular activities, leadership skills, character, motivation and letters of recommendation.

In order to ensure the utmost level of fairness and quality in this fiercely competitive nomination process, Congressman Soto has put together qualified and experienced military individuals to serve as a Service Academy Nomination Board. This board will review all applications, interview all prospective nominees and make their recommendations of the most qualified candidates to Congressman Soto.

Congressman Soto believes this is the fairest, most efficient and practical way to select the most skilled and qualified candidates to nominate to the U.S. Service Academies.
